PLEASE TAKE NOTE:

The 170-foot-long Spanish Galleon replica, *El Galeon* is coming to the Hudson River Maritime Museum's docks from August 4th-9th and open for deck tours the 5th-8th. She is 5 decks tall with a mast height of 121 feet! *El Galeon* has been featured in television and movies over the course of her 50,000 nautical miles she has traveled around the world since her construction.

This is a unique opportunity to see a massive 17th-century replica traveling up the Hudson to Kingston.
