TO: Mohawk Hudson Council of Yacht Clubs

FR: Brian and Kathy Donovan

Re: Special Dockage arrangements for the Mohawk-Hudson Council of Yacht Clubs

We have long realized and embraced the role that the council of Yacht clubs plays in the success and vitality of our regional waterways. Namely, the Hudson and Mohawk Rivers, and the gateway they represent to the Champlain Canal, the Great Lakes and the Atlantic seaboard.

While Shady Harbor Marina and Mohawk Harbor Marina represent the business side of our boating community on the rivers, the regional yacht clubs represent the lifeblood, the camaraderie and energy experienced on our waterways. Together we can continue to make our waterways special in every way.

With those thoughts in mind, we would like to offer some special rates for the 2018 Season in regards to visiting and docking at the brand-new Mohawk Harbor Marina, available only to Mohawk Hudson Council members.

Normal Daily Transient Rate: \$2.25/ft. Plus electric

Mohawk-Hudson Council Rate: \$1.50/ft. Plus electric

In addition, in the spirit of reciprocity, we would extend a buy one, get one free offer for a two-night stay at the marina. In reality, this brings the dockage rate down to .75/ft. These specials are available Sunday through Thursday, based on availability, and exclude holidays and special events.

This is a great deal on every level, and we hope you will join us in celebrating all that this new facility has to offer. There are events scheduled throughout the summer at both the Rivers Casino and the new amphitheater at the base of the harbor. In addition, Druthers Brewing Company is opening its new location overlooking the harbor in late May, and there are many other retail locations planning to open this summer. There are kayak rentals on-site, bike share within steps of the harbor, and a free trolley to downtown Schenectady available throughout the summer months.

In celebration of the opening of the canal and the grand opening weekend of the Marina, we are offering free dockage for the weekend of May 18, 2018. This offer will be available to the first 20 boats that want to sign up. Please reach out to Brian by email to confirm your interest in attending this season's opening event.
